Number 161 – October, 2010

## The Guild Meeting Tuesday, October 5th, 2010 12:30pm

San Dieguito United Methodist Church  
170 Calle Magdalena, Encinitas

**Change in Location At The Church For This Meeting: The church is preparing for their annual rummage sale, so the Oct meeting will be held in the Sanctuary which is right next door to Founders Hall.**

### ✦ OCTOBER MEETING

Candace Eisner Strick, author, designer and teacher from Connecticut will be doing a Lecture & Trunk Show followed by two workshops on Wednesday and two on Thursday. Space Still Available.

#### Workshops for Wednesday 10/6:

**1) Wednesday~Oct 6th, from 9:00-12:00 noon- The Art of Knitting Backwards and How it Applies to Edging.** Learn how to knit and purl backwards and how to apply this technique to the task of working an applied edging (ie, not turning work, and those edgings are usually worked on about 6 stitches). Students will practice knitting and purling backwards, then work an easy garter stitch edging, mitering corners as it is attached.

**Homework:** 1 swatch knit in yarn of your choice, any stitch pattern. Bind off loosely. It should measure at least 4 inches by 4 inches. Bring enough yarn from swatch to knit an edging in class.

**Supplies:** Yarn from swatch and appropriately sized dp needles, some size circular (any length), plus a small amount of worsted weight yarn and appropriately sized dp needles.

**2) Wednesday~Oct 6th, 1:00-4:00pm- Mitered Modular Miracles of Engineering – a Bag.** You do not need a degree in engineering, or even one in math, to make these fabulous mitered modular bags. They are fun, fast, easy, and a great way to reduce your stash. Felted or not, you can make them any size you wish, add a zipper or not, go wild and crazy, or keep conservative and tasteful.

**Supplies:** Various different kinds of yarn in small quantities – the more colors, the better. It is also fun to swap yarns with classmates. If you wish to felt the tote, the yarn must be 100% wool (not superwash, or anything white in color). Non-felted totes can use almost anything, and combinations of yarn are fun to use (ie, traditional wool with novelty). Please bring a large variety of needle sizes that would be appropriate to use with the yarn you bring. Bring straights, circulars and double pointed.

#### Workshops for Thursday 10/7:

**1)Thursday~Oct 7, 9:00 -12 noon- The Ripple Effect.** Gently undulating ripples make beautiful and flattering knit fabric. Placing the increases and decreases in different places can greatly change the look. Learn the secret of these gorgeous patterns, sample some unusual ones, then learn about delayed increases and decreases.

**Homework-**None

**Supplies:** Bring worsted weight yarn and appropriate size needles.

**2) Thurs, Oct 7, 1:00-4:00pm Strick Nine.** Strick = knit. Nine = 9 fabulous cast-on's and bind off's, including some new inventions you have never seen before. Learn how to do long tail cable edge cast on, Channel Island cast on, provisional crochet cast on, tubular cast on, tubular bind off in both k1, p1 and k2, p2, stretchy knit twice bind off, delayed bind off, firm bind off, and Icelandic bind off.

**Homework:** Sample 1: With worsted weight yarn and size 8 needles, c/o 20 sts. Work in k1,p1 ribbing for about 1 inch. Do not bind off, do not cut yarn.

Sample 2: Work as for sample 1 but work in k2, p2 ribbing. Do not bind off, do not cut yarn.

**Supplies:** At least 2 colors (high contrast) of worsted weight yarn, appropriately sized needles.

### ✦ THINGS TO DO IN OCTOBER:

- Arrive at **12:30** for the monthly meeting and do not enter the room early unless you are setting up for the meeting.
- Remember we are in the Sanctuary this month.
- Please bring ALL books that you have borrowed and return them to the Library for check-in so we can conduct inventory.
- Bring your latest knitting creations to share with us all.

- Remember to turn off your cell phones, please.

## ✦ PRESIDENT'S MESSAGE.....

### FROM BARBARA LEVIN

Thanks to the amazing bargain-hunting abilities of our members during the August Stash Sale, we find ourselves in an unusual position----we need to spend some money.

Board members new and old will meet in mid-October to discuss what to do about this "problem." So far, the ideas I have heard fall into two areas: 1) spend more on programs benefitting our members, and 2) share the wealth by donating a portion of it to knitting-related causes.

What do you think the Guild should do? Please drop me a note ([Barbara.levin@me.com](mailto:Barbara.levin@me.com)) and tell me as specifically as possible what you think. For example, don't say, "Hire more speakers." Tell me, "Fly in Tim Gunn." (I suspect Mr. Gunn's fees may be beyond our abilities to pay, however.)

That meeting will be held **Tuesday, Oct. 19 at 1:00pm** at the San Dieguito United Methodist Church. Current board and committee members, next year's nominees, and any interested members are all welcome to come and bring your ideas.

Barbara

## ✦ HAVE YOU VOLUNTEERED FOR THE GUILD YET?

As you know, there are many people behind the scenes that make this Guild run so smoothly. We are going to have a number of Board Positions open for the next Term (2011). Or, if you want to participate on a Committee, just let us know....feel free to contact Sara.

## ✦ SEPTEMBER MEETING MINUTES

**San Diego North Coast Knitters Guild  
General Membership Meeting  
Tuesday, Sept. 7th, 2010 - 12:30 p.m.  
Barbara Levin presiding  
138 members and guests present**

Barbara Levin opened the meeting by greeting guests and members. The library will be closed for inventory in November. Members were asked to supply librarian Nancy Muschek with a "wish list" of new books to order. Liz Knapp thanked members for donating so generously to the stash sale which earned the Guild close to \$3500. We will continue to support Heart-scarves and the Hatbox Foundation as philanthropy projects for next year. The annual holiday luncheon will be at the

Morgan Run country club on Monday, December 6th. Table centerpieces will feature stuffed knitted pigs which will later be given to the Polinsky Children's Center. Kits are available for assembly. Members were asked to sign up for the fashion show; no more than 2 garments, not previously modeled. Eileen Adler announced upcoming Members Teaching Members (MTM) classes taught by Colleen Davis, Thea Lazarevic, Anna Walden, Willa Cather and Nancy Muschek. A finishing workshop is scheduled for September 14th at the Church. The Guild is in need of a newsletter editor(s) for next year. Reservations are still being taken for the Temecula knitting retreat in January.

Colleen Davis conducted a program on recycled projects. Members modeled several of their own garments as well as an impressive array of Colleen's creations. Local fiber artist Marie Studer presented a dazzling assortment of original designs assembled from pieces of previously worn clothing.

Colleen Davis reminded us that nationally known designer/author Candace Eisner Strick will be our guest speaker and workshop instructor in October. Member Lisa Limber will present a program on "Designing for Your Own Style" in November.

Stacy Smith conducted the show and share.

Ellen Hesterman, Secretary

**NOTE: Please see Pg. 9 of this Newsletter for the Holiday Order Form for Luncheon.**

## ✦ RECYCLE FASHION SHOW

Once again Colleen Davis did an amazing job with the Recycle Fashion Show. Thank you Colleen so much! And proving yet again that our Guild is a group of creative women, and not afraid to strut their stuff! We know for sure that lots of knitters have "ripped" something out and used the yarn again. We had reused yarns, unusual fibers such as nylons, bottle caps, paper and hemp. It was an amazing array of creativity. Thank you Colleen and everyone for participating!

## ✦ DID SOMEONE SAY RETREAT?

**Thea Lazarevic – Shawl** – [Curacao Shawl](#) pattern from *Knitter's Summer 2008*. Reynolds 100% cotton yarn (50 gr. 123 yds.) was used. US #8 needles and 7 balls of yarn were used. ### ★ Members Teaching Members Programs

We have a sizzling slate of workshops for you, with additional ones coming along rapidly. Grab your needles, and here we go!

**-My First Socks- Back by popular demand!** With Nancy Muschek. Lots of hands on attention will be yours. **Thursdays Oct. 14, 21 and 28, from 1:00-3:00pm** at La Costa Glen. \$50. This fun class is designed to guide students through their first experience making socks. It will also review tips to successful sock-making for those who tried their first socks a long time ago. Have a great new pair of socks for our fall show-and-tell.

**-The Beginning Lace Class The class is scheduled for Thursday, October 14 from 9:30 to 12:00 noon and will be hosted by Paulette Sexton. \$25.** Many of us remember the informative lace presentation our guild feasted upon on June 1 by **Willa Cather** titled "All Things Lace and Sometimes Beads" where we were treated to plethora of scrumptious lacy items, some with beads and some without. With a class she has titled, "Beginning Lace," Willa will guide us through the trickier patterns of the "Aestlight" (East Light in Shetland dialect) shawl. The shawl must be purchased from Ravelry:  
<http://shetlandtrader.blogspot.com/2009/06/aestlight-available-for-purchase.html> (440 (550) yards fingering weight yarn (sock), stitch markers, row counter, and US size 6 (4 mm) 32" or 29" and bring a US 7 (4.5) 32" or 29" circular needles as well. Willa can order this pattern for you but you must make those arrangements with her. A traditional Shetland Shawl technique begins this shawl – a garter stitch triangle. The beauty of these shawl styles is that they aren't bound off but rather stitches are cast on and knit sideways attaching a lacy edge to live stitches at the end of every right side row –

very ingenious! There is a great deal to learn from this class in addition to it being a great deal of fun!

Homework for this class: cast on and knit the garter stitch triangle to desired size (smaller or larger size). Place these live stitches on a piece of scrap yarn leaning yarn attached. You will stop at the middle of page 3 in the instructions labeled Border:. Willa suggests 2 weeks to complete this homework.

**Beaded Pouch- Sunday, November 7<sup>th</sup> from 10:00 to noon-** Willa Cather continues to expand our knitting know-how with another class on Sunday, November 7<sup>th</sup> from 10:00 to noon to teach "Beaded Pouch" – if you've never worked beads into your knitting, this class is for you! A beaded ruffled edging along the top and an I-cord drawstring make this as special a gift. Fill it with a treasure and it becomes a wonderful gift bag. \$20.

### **MTM Felted Backpack with Eileen Adler**

Eileen is happy to start a waiting list for a Fall class. Just let her know!

Susan Ludwig and Eileen Adler- MTM Co-Chairs

### ★ Can You Help? Do you perhaps have this booklet #86?

## ✦ Our Library-Important!

### 1) Please Return ALL Books So We Can Inventory Them Over The Holidays!

Nancy and Heather are requested everyone to please bring back any books you have borrowed to the October Meeting so we can inventory them and put them up on Ravelry.

### 2) Help Us Create The Library Wish List

Nancy is taking requests, so jot down what you would love to see us purchase for the Library!

### 3) Getting to the Guild's "Library" on Ravelry

- Log onto [www.Ravelry.com](http://www.Ravelry.com)
- Click the "People" tab
- In the search box type "sdnckg"
- Click the search button (to the right)
- This brings up the Guild's profile. Click on either the Logo (the graphic) or the underlined "sdnckg" name (the text).
- Up will pop the Guild's Profile. Above the graphic image of our webpage (on the upper right side of the screen) look for the Library listing. Currently there are 58 books in the Library that have been cataloged. We have more than that, but that is what we have cataloged thus far. Click on the Library link to [view the books stored](#) in both the Ravelry & Guild's collections. We will add to this during the holidays when we inventory all the books in the Library.

Contributed by: Heather Broadhurst our Web Mistress

### 4) Sorting Books in the Library---Here are the steps...

At the last meeting someone asked how to sort books in your Ravelry Library. Here are the steps to follow:

Go into "My Notebook" and choose "Library."  
On the right side of the screen choose the "list view."

Click on the title of the column you want to sort. For example, if you want to order your books in alphabetical order, click on "title." It will default to ordering them from A to Z. If you want to reverse the order, click on "Title" again. Sometimes I like to see all the books I have by a specific author. Click on "author" at the top of the column and it will sort the authors alphabetically by first name. You can change the order of any column by clicking on its title. If you go back to "shelf view," this order will be retained.

Hope that helps!  
Linda

## ✦ Philanthropy

It is time to select our charities for 2011. We are looking for three or four non-profit organizations who distribute handmade items to those in need. Should we keep knitting for our current charities: the Hat Box Foundation (hats for men, women and children undergoing cancer or other treatments) and HeartScarves (red scarves for women suffering from heart disease)? Please e-mail your ideas to [liz.yarn@yahoo.com](mailto:liz.yarn@yahoo.com) or post them on our Ravelry group.

Final call for Helmet Liners is October 6th. They must be shipped by October 10th in order to be distributed to the troops before the project is phased out.

Did you sign out a charity knitting kit? If you did, please complete the project and turn it in at the next meeting. We still have several kits with yarn for toy pigs that must be knit up in time for the holiday luncheon. If you want to make one at home, the pattern is here: <http://www.ravelry.com/patterns/library/lola-curly-pig>.

Thank you for the care you put into each and every stitch of our charity knitting items! If you have questions, e-mail Liz Knapp: [liz.yarn@yahoo.com](mailto:liz.yarn@yahoo.com) or call 619-995-9276.
