San Dieguito United Methodist Church  
Assembly Room ~ 170 Calle Magdalena, Encinitas

### ✦ Skirts Galore At The April Fashion Show

Attention Fashion-istas! For the April Meeting, we will have a fashion show featuring knitted and crocheted skirts. Sara has some fantastic current skirts, and some vintage garments too!

**Participants** need to bring a short description of their garment on an index card for the narrator. Thank you one and all for participating!! Please contact Sara either by phone (858-748-4124) or email her at: [miyakefan92064@aol.com](mailto:miyakefan92064@aol.com) if you have any questions prior to the meeting.

### ✦ May Meeting and Workshops

**Anna Walden from Twisted Sisters** will be here with us on Tuesday, **May 4<sup>th</sup>** to present at our monthly meeting. Her lecture topic will be "Montage Knitting---the combining of discrete elements to create an artful whole."

Then Workshops will be held on **Wednesday, May 5th and Thursday, May 6th**. Just as a reminder, that anytime we have workshops, sign-ups and reservations can be made at the Guild meeting or by mail. You can send your check made out to North Coast Knitters to our Treasurer, Jean Moore, 4050-50 Porte La Paz, San Diego, CA 92122.

### Anna Walden's Workshop Info. and Supplies:

#### **Entrelac Rocks Workshop- Wed. 5/5 9:00-12:00 \$30**

Supplies: please bring: #5 or #6 straight and circular needles. The Class: Entrelac is a fabulous medium for bringing color work into your knitting. It does not have to be a whole garment but can be used as embellishment or an element in montage style knitting. This class will give lots of examples of uses of entrelac and some basic rules for using disparate elements in the same garment. Students will learn to work with the difference in gauge between entrelac and stockinette, knit a tuck on the edge of a garment to make a transition to another element, decrease the first row of entrelac when knitting from live stitches, and use entrelac triangles as a nifty edging for any garment. Must already know how to knit entrelac.

#### **Beadazzling Buttons Workshop-Wed. 5/5 1:00-4:00**

**\$30** Supplies: one or two cover-it-yourself button forms 1¼" or 1½". Materials fee to be paid to Anna at the workshop \$5. The Class: Desperate for a button that will match and "make" your garment? Try this beaded and felted covered button. This project can be easily finished and felted in class so students have a finished button (or buttons) at the end of the class.

#### **Building Blocks Workshop-5/6 9:00-12:00 \$30**

Supplies: please bring: #5 or #6 double point needles preferred. The Class: Mitered squares can be an exciting option for adding color and textural interest to your knitting. They can be added as an embellishment or an element in montage style knitting. This class will provide lots of examples of knitting garments with multiple elements, ideas for incorporating mitered squares and some basic principles for using different elements in the same garment. Students will learn to knit basic mitered squares and triangles, joining to other elements as squares or as diamonds, computing gauge between squares and other knit stitches.

#### **Tubes, Tucks and Ties Workshop- 5/6 1:00-4:00 \$30**

Supplies: please bring two circular needles #5 or 6, longer than 16" and #5 or #6 double points. The Class: Tucks, tubes and i-cord are all ways to add texture, surface embellishment, couture detailing and make fun closures. Students will learn to bind edges, add tucks as transitions between elements in montage style knitting, use internal tucks or tubes and insert i-cord to add to the fun!

**For All Workshops:** You do not need to bring yarn. Anna will provide Twisted Sisters' yarn. Bring your usual knitting kits, i.e., markers, scissors, yarn needle, etc. Checks can be given to our treasurer, Jean Moore at the meeting, or mailed to 4050-50 Porte La Paz, San Diego, CA 92122.

### ✦ THINGS TO DO IN APRIL:

- Arrive at **12:30** for the monthly meeting and do not enter the room early unless you are setting up for the meeting.
- Please bring any books that you have borrowed and return them to the Library for check-in.
- Bring your latest knitting creations for sharing with us all.
- Bring your checkbook if you want to sign up for any of the Workshops in May.

### THE NEW 2010 MEMBER ROSTER WILL BE DISTRIBUTED TO ALL CURRENT MEMBERS AT THE APRIL MEETING!

A huge heartfelt "thank you" to Sheri Fisher for all her efforts in updating our database, and preparing the document for printing. A thank you to Anderson Printing too! For those of you who still want to sign up for Membership, please contact Jean Moore. We will include your information in the Newsletter so everyone can update their Directory throughout the year.

### ✦ PRESIDENT'S MESSAGE.....

**FROM BARBARA LEVIN**

Watch me do a dizzying 180-degree spin from last month's message – when I urged you all to learn to read your newsletter on a computer. Today I am urging you to stay away from your computer and do your yarn shopping locally! We're blessed in Southern California with a dazzling array of local yarn stores. Let's help keep them alive!

Yes, there's a recession and yes, we're all watching our spending. But please don't treat your local yarn store as a research library – a place to fondle the yarn, pick a color and use the data you've collected as the basis for an order on-line. One of our local shops closed recently (Bonita Knit & Sew). Please help keep the others thriving. (No free yarn changed hands while researching this article....unfortunately.)

Everyone: Please thank Sheri Fisher for all the work she did wrestling together the huge amount of data in the new members' directory. There's certainly nothing as fun as spending your free time typing up and proofreading some 200-plus names, addresses, phones, email addresses and Ravelry IDs.

Also a big thank you to the RN Sub-Group for their great presentation on "Signature Scarfs". It is wonderful when the members share in our programs.

If a typo somehow managed to slip through and you find an error in your listing, please send an email to Sheri at [sherirob1@aol.com](mailto:sherirob1@aol.com).

Hope to see you at the next meeting!  
Barbara

### ✦ MARCH MEETING MINUTES

#### HIGHLIGHTS OF THE PAST MEETING

##### San Diego North Coast Knitters

##### General Membership Meeting

Tuesday, March 2, 2010 - 12:30 p.m.

Barbara Levin presiding

111 members and guests present

President Barbara Levin opened the meeting by welcoming new members and guests. Sara Stolz announced that there was still time to sign up for the April in-house program; the Knitted Skirt Fashion Show. Colleen Davis announced that Anna Walden of the Twisted Sisters will be our guest speaker in May and will be conducting workshops the following two days. Colleen also reminded us to submit items for the July Tea Party Challenge; Susan Ludwig will be collecting your creations at the June meeting. Liz Knapp thanked members for their donations of helmet liners and scarves and requested baby blankets for military families. She is also collecting yarn for our August Stash Sale. Mar Gee Farr, Myra Lehmann and Barbara Funkenstein are coordinating the Holiday Luncheon scheduled for Monday, December 6th at the Morgan Run Country Club in Ranch Santa Fe. Colleen introduced Gwen Nelson who then introduced members of the R.N. (Rather Normal) subgroup. Nicki Epstein's book, "Signature Scarves", was the inspiration for their presentation. Adele Snyder, Rose Sogge, Nancy Muschek and Lani Clause displayed an assortment of scarves. Ellen Magee and Benson, honorary members of the group, also participated. Benson explained how she experiments with new techniques and patterns by knitting a scarf rather than a more complex garment. Gwen announced that the scarves would be on display and group members would be available to answer questions at the end of the meeting. She reminded members that the R.N. subgroup meets the 4th Tuesday of every month at the Encinitas Senior Center from 10am to noon. Colleen Davis invited members who had recently attended needlework conventions to describe their experiences. Carolyn Balkwell talked about the Stitches Convention. Barbara Levin and Linda Erlich talked about the Madrona Fiber Arts Festival, also attended by Betty Clarquist and Karen Pearson. Eileen Adler, Cia Bullemer and Lisa Limber attended the TNNA professional show. Hand painted designer yarns, animal hair yarn, lacy shawls and more simplistic pattern designs seemed to be the trend. Turquoise is the color of the season.

Linda Erlich conducted a very lively show and share.

## ✦ SHARING AT MARCH'S MEETING

We print abbreviated summaries of shared items which provide enough information to allow you to follow up on items you might like to knit. If you share an item during the monthly sharing, it cannot be worn in the Holiday Luncheon fashion show. Shared items **MUST BE FINISHED** --- unless it's near Christmas when the rules are relaxed so that you can share an item before it's shipped off to its recipient.

*Note: At the March Meeting some items were presented by the Attendees and some by the RN Sub-Group! Thank you ladies for such a great presentation.*

**Julie Beck – Beaded Shawls** shared several of her seven Judy Pascale Beaded Eyelet Shawls. Used Royal Crochet Cotton 3. Julie added beaded edging to both shawls. Each shawl had approximately 2,900 beads in total.

**Ruby Townsend – Eyeglass Case** using a pattern which currently resides in her head (for now). This case was knit in mint green sock or fingering yarn (small ball leftovers). This could also be used for a cell phone or camera.

**Ellen Hesterman – Pullover** using Mitered Squares pattern. The yarn used was 100% Cotton Knit One Crochet Too's Ty-Dy in Midnight Sun.

✦ [Quarterly Finishing Classes](#)

**Dates: June 8<sup>th</sup> and Sept. 14<sup>th</sup>, 2010**  
**Time: 12:30 to 3:30 PM**  
**Cost: Free to Members**  
**Where: San Dieguito United Methodist Church  
Classroom Building**

Do you love knitting and hate finishing? Do you have more than a few un-seamed sweaters lurking in your closet? Do you need to work in all those yarn ends on that wonderful Fair Isle sweater before the moths finish it for you in an unintended way? Finishing days are for you. Every three months, the Guild will host a free "Finishing Day" for members. Bring your almost-finished items and work on them together. The Guild will provide the room, chairs and tables and resource knitters to answer finishing questions. It might be just the jumpstart you need to get you going.

✦ [Philanthropy](#)

I'm pleased to report that the SDNCKG shipped two large boxes to our charities this month. Twenty-three helmet liners were sent to Operation Helmet Liner and thirty-three red scarves were sent to HeartScarves. Marilyn Deak, founder of the HeartScarves Project lives in Carlsbad, and she informs me that our scarves will be distributed locally. Don't be surprised if you see your handiwork on a woman walking down the street in your town!

The Guild provides free kits with yarn and patterns for our charity knitting projects so please stop by the Philanthropy table and sign one out at the next general meeting or Knit @ Nite. If you signed out a kit in February or March, please finish it and bring back the scarf, hat or helmet liner in April. A big "Thank You" to the fifteen members who turned in items in March.

The question was asked and the answer is "YES." You may certainly use your own yarn and patterns for soft hats (Hat Box Foundation), red scarves (HeartScarves Project) and baby blankets (Navy-Marine Corps Relief Society). As long as you use 100% wool in the specified colors, you may also use your own yarn for helmet liners. Links to all our charities and the helmet liner pattern are on our website. Please direct any questions to me at [liz.yarn@yahoo.com](mailto:liz.yarn@yahoo.com) or 619-995-YARN (9276), or see me before the monthly meeting starts at the Philanthropy table in the back of the room.
